# DOORS

## **CHAMPION SLIDING DOORS**

are available in 36 standard sizes and styles, including both double doors (as shown) and single door configurations, with or without tempered glass windows with grids. Standard sizes for single doors range from 4' wide X 8' high to 6' X 12'. Double door sizes start at 8' X 8', and go up to 12' X 12'.

**CHAMPION DOORS** are compatible with all sliding door track and hardware.

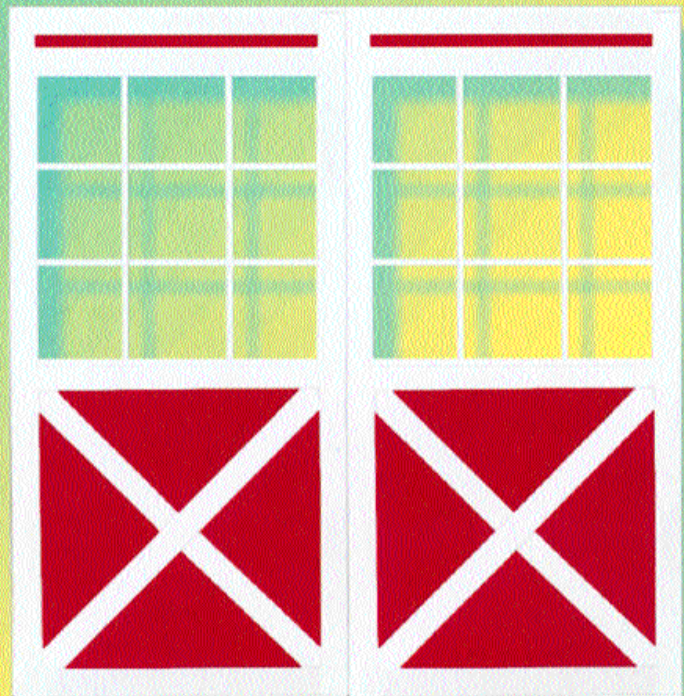

## **CHAMPION DOOR COMPONENTS**

consist of rugged aluminum side rails, aluminum cross-bucks, galvanized steel girts, and steel inserts. All components are pre-cut and pre-drilled, allowing for easy assembly at the job site. Fasteners are included, as are complete assembly instructions. You are required to furnish plywood to back the steel inserts.

## **CHAMPION DOORS offer you COLOR OPTIONS!**

Vertical members and cross buck colors are white, brown, charcoal, evergreen and hickory moss. Refer to **SLIDE DOOR RAIL** literature for color chart.

Steel inserts are available in all **EQUUS DUTCH DOOR** colors. Please refer to our **DUTCH** door literature for color chart.
